I.

INTRODUCTION

The Government incorporates by reference its Statement of Facts provided in its Response in Opposition to Defendant's Motions, filed under separate cover.

II.

THE GOVERNMENT IS ENTITLED TO RECIPROCAL DISCOVERY

A. THE GOVERNMENT IS ENTITLED TO RULE 16(B) DISCOVERY

The Defendant has invoked Federal Rule of Criminal Procedure 16(a)(1), (C) and (D) in his motion for discovery and the Government has voluntarily complied with the requirements of those rules. Thus, pursuant to Rule 16(b), the Government is entitled to certain reciprocal discovery. Under Rule 16(b)(1)(A):

If the defendant requests disclosure under subdivision (a)(1)(C) or (D) of this rule, upon compliance with such request by the Government, the defendant, on request of the government, shall permit the Government to inspect and copy or photograph books, papers, documents, photographs, tangible objects, or copies or portions thereof, which are within the possession, custody, or control of the defendant and which the defendant intends to introduce as evidence-in-chief at the trial.

If the defendant requests disclosure under subdivision (a)(1)(C) or (D) of this rule, upon compliance with such request by the Government, the defendant, on request of the Government, shall permit the Government to inspect and copy or photograph any results or reports of physical or mental examinations and of scientific tests or experiments made in connection with the particular case, or copies thereof, within the possession or control of the defendant, which the defendant intends to introduce as evidence in chief at the trial or which were prepared by a witness whom the defendant intends to call at the trial when the results or reports relate to his testimony.

Fed. R. Crim. P. 16(b)(1)(A).

The Government, pursuant to Rule 16(b), hereby requests the Defendant to permit the Government to inspect, copy, and photograph

1 any and all books, papers, documents, photographs, tangible objects,
2 or make copies of portions thereof, which are within the possession,
3 custody or control of the Defendant and which he intends to introduce
4 as evidence in his case-in-chief at trial.

5 The Government further requests permission to inspect and copy
6 or photograph any results or reports of physical or mental
7 examinations and of scientific tests or experiments made in connection
8 with this case, which are in the possession or control of the
9 Defendant, which he intends to introduce as evidence-in-chief at the
10 trial or which were prepared by a witness whom the Defendant intends
11 to call as a witness. The Government also requests that the court
12 make such orders as it deems necessary under Rule 16(d)(1) and (2) to
13 ensure that the Government receives the discovery to which it is
14 entitled.

15 **B. THE GOVERNMENT IS ENTITLED TO RULE 26.2 DISCOVERY**

16 Federal Rule of Criminal Procedure 26.2 requires the production
17 of prior statements of all witnesses, except defendants. The rule
18 requires reciprocal production of Jencks statements, stating in
19 relevant part:

20 After a witness other than the defendant has testified on
21 direct examination, the court, on motion of a party who did
22 not call the witness, shall order the attorney . . . to
23 produce, for the examination and use of the moving party,
any statement of the witness that is in their possession
and that relates to the subject matter concerning which the
witness has testified.

24 Fed. R. Crim. P. 26.2(a).

25 Consistent with the Jencks Act, Rule 26.2 requires witnesses'
26 statements to be submitted after the witnesses have testified.
27 Therefore, the Government hereby requests that Defendant be ordered
28 to supply all prior statements of defense witnesses on or before a

1 date sufficiently prior to the trial to enable preparation for use at
2 trial. The Court should order Defendant to produce all such
3 statements regardless of their form, including but not limited to tape
4 recordings, handwritten, and typed notes and reports.

5 **III.**

6 **CONCLUSION**

7 Based on the foregoing, the Court should grant the Government's
8 motion for reciprocal discovery.
